Use of Funds

Hardware & software architecture / infrastructure to manage data, build MVP & incubate nationally, commercialize business, establish office, human capital and secure intellectual property

TiPEVO™

Youth Sports Experience Company

A NEW PARADIGM IN YOUTH SPORTS

When did America's Youth Sports become so: **complicated, expensive, time consuming, specialized and stressful?**

Over the past 20 years, America's youth sports landscape has witnessed a profound transformational shift away from traditional guiding principles focused on accessibility, affordability, simplicity & enjoyment into an astounding **"big-money"** business phenomenon impacting families, organizations and communities across society.

Addressing the challenges associated with navigating the complexity of this new **"Youth Sports Economy"** and the resulting systematic **"black-hole"** is why TiPEVO was created.

CHALLENGES

Limited knowledge & understanding around YS structure

Absence of a market standard to unify and value all aspects of YS offerings

No feedback or rating system to guide YS stakeholders

Lack of empowering technology to manage a highly fragmented YS eco-system

STATISTICS

\$50 Billion
Annual YS Spend

45 Million Kids
Annual Participation

2.4 Million
Programs across America

38% of kids
QUIT - No longer fun!

OUR MISSION

Establish a universal, transparent and centralized socioeconomic athletics platform for parents navigating exposure, development and enjoyment around their child's Youth Sports Experience through empowering technology and information.

TiPEVO'S YS VALUE EFFECT

Save time, money and headaches

Understand the YS structure

Find the right fit

Share their experiences

Strengthen collaboration, communication & coordination

Encourage responsibility, ownership & accountability

TiPEVO Game-On Grants! (giving back to communities YS programs)

Trust * Intelligence * Passion ~ EVOLUTION®

Game Plan your Youth Sports Experience™
